

Holiday Tree Recycling

December 2017

Recycling your holiday tree is cheaper than disposing of it and better for the environment. Give your tree new life as wood chips or compost. No flocked or artificial trees. Remove all lights, garlands, tinsel, and ornaments.

- **Curbside collection** – If you have curbside yard waste collection service, you may place your tree at the curb with your regular yard waste. Contact your recycling hauler for details and restrictions.
- **City events** – Some cities offer free tree recycling events for their residents. Contact your city for details.
- **King County recycling and transfer stations** – See below for information about tree recycling at King County facilities.
- **Private companies** – The companies listed below accept trees for recycling. Call ahead for updates and to confirm details.

Starting January 2018, at King County facilities below, holiday trees and other yard waste must be separated from garbage for recycling.

King County facilities

At the King County facilities below, holiday trees are accepted as **yard waste**. At all other King County facilities, trees are accepted as garbage at the garbage fee.

Yard waste recycling fee: \$12 minimum; \$75 per ton

Garbage fee: \$24.25 minimum; \$144.34 per ton.

Minimum fees cover up to 320 lbs.

Trees must be less than 8 feet in length.
